Margin Test Document

This document should have **2mm margins** on all sides when converted to PDF.

Testing Content

This is a test paragraph to verify that the margins are working correctly. The text should appear very close to the edges of the page.

Code Example

```
echo "2mm margins should work";
```

List Items

- Item 1: Should be close to left edge
- Item 2: Should be close to left edge
- Item 3: Should be close to left edge

Table Example

Column 1	Column 2
Data 1	Data 2
Data 3	Data 4

Expected Result

When printed or viewed as PDF, this content should extend very close to all four edges of the A4 page with only 2mm margins.
